FLAT SPACERS - 28 MM

2. DESCRIPTION

- Universal rectangular spacers for various mounting applications, such as installing doors and windows, furniture, and wooden structures.
- Flat spacer with textured surface (1 mm) and smooth surface (2-3-4-5-6 mm).
- Stable stacking thanks to a patented clip that securely locks two or more spacers, preventing slippage (only for 2-3-4-5-6 mm spacers).
- Breakable in half.
- Different colors for easy identification.
- Thickness size printed on each piece.

3. UTILIZZO

Suitable for support and leveling in various applications where a simple and practical accessory is needed.
Perfect for aligning door and window frames.
Suitable for weight transfer and distribution during door and window installation.

4. VOCI DI CAPITOLATO
